Flying from Warsaw To  
Shannon on LOT Airlines

Hi -

The noise level in these Russian built planes is very high so the only thing you can do efficiently is pray or write letters. I just finished my program so I'm sat to do letters. I just wanted to tell you how glad I am that we had the chance to get together this summer. It wasn't as often as I would have liked but I know how "social" my nephew is!

I hope your visit to Florida went well, that you got some rest and were able to be helpful to your buddy who wanted to get married. I hope too that you dad is feeling better. I promise you all a place in my program. After all, one has to pray for one's nephew and his family, no?

Did you read all about our friend who was murdered? You stick with your uncle and you'll really meet exciting people. Thank God it did not happen the night we were there!

I am really praying that you have a good year at the Mount. You deserve one after last year. Just relax and be your best. There is a lot of goodness in you and I know the Lord wants to use it for His Kingdom. I look forward to your program in the Ministry and to being there when Bro. Hughes puts hands on you. Work hard but have confidence and it will all turn out OK!

I'll be in Washington around Sept. 21-24. Maybe a few of you can come down for a pizza at my brother's house. I'll

call you when all the travelling is over. If you need me  
you have my private line to call collect or leave word at So  
West Cottages (301-484-4600). I get back to the States  
on Sept. 8<sup>th</sup>.

Take care. Best Wishes. Yours for

Shirley Tied
